

Tecvac, Inc. Presented With NCC/ACI's First Concrete Repair Award In The New Millennium

Tecvac, Inc. Receives Award of Excellence For Concrete Repair

Tecvac, Inc. is the recipient of the National Capitol Chapter of The American Concrete Institute's Year 2000 Award of Excellence in Concrete Repair for work it performed at the Herndon /Monroe Park'N Ride Garage Facility in Fairfax, Virginia..

Tecvac applied its exclusive vacuum processes throughout the four level precast concrete

facility and is credited with resolving a host of difficult repair tasks...with a host of multiform techniques. Not the least of which was Tecvac's ability to perform structural repairs without surface destruction or marring.

Tecvac, Inc. is an internationally recognized leader in innovative repair techniques for concrete, masonry and stone using vacuum technologies. Call today for more information.
